REACH CERTIFICATE OF COMPLIANCE.

The adhesives identified below are in compliance with European Union Directive 1907/2006, 2011/65/EU, and ED/169/12 per the Registration Evaluation Authorization and Restriction of Chemicals (REACH).

Based on information provided by our suppliers, Norland Products Inc. designates the products listed below as REACH compliant for orders placed on or after October 29, 2008.

REACH compliant means that:

Our products, adhesives, are categorized as chemicals under REACH regulations. Regarding The Substances of Very High Concerns (SVHC) candidate lists released by the European Chemistry Agency on or after October 28, 2008, Norland Products Inc.'s products do not contain more than 0.1% by weight per article of any substance on the SVHC candidate list.

We will continue to monitor the status of the candidates list as part of our on-going compliance activities, including the possible need under Article 33 of REACH to inform product recipients and consumers if an article contains more than 0.1% by weight per article of any substance that is added to the SVHC candidate list in the future.

A table of REACH compliant Norland Products adhesives is provided on the following page.
